

# THURSDAY NIGHT – WEEKLY FEAST

Ahead of opening the eagerly-anticipated café-bistro in Market Street, Marcia Harvey, who recently graduated from the Ashburton Chefs Academy in Culinary Cuisine and Patisserie, will be cooking predominantly South American, European, Middle-Eastern and Mediterranean cuisine.

## Don't fancy cooking – we will do it for you!

Come and pick up some food from our yellow catering horsebox 😊 on Thursday evenings at the Spendlove Centre car park. We will be offering both hot and chilled premium quality meals.

To keep it simple, the meal choice will be limited but our offer will vary weekly, with a vegetarian option available too. We hope this format will work for Charlbury residents.

**Format** - The meals may be bought in several ways:

**Advance order - Set meals (Chilled)** with instructions for re-heating.

Order between Saturday and Tuesday night for collection between 5 – 8pm Thursday.

**Order ahead (Hot meals)** - Order anytime on Thursday for collection at a chosen timeslot in the evening between 5 - 8pm.

**Walk up** – Depending on availability, there may still be hot meals to buy on the spot (Cash or card taken).

Just a couple of points to note - we are trialling the online ordering app - which isn't perfect, but it hopefully does the job. Secondly, quantities via the Order Ahead option may be limited until we can gauge the level of demand.

\*\* Regarding allergens, basic information is provided with the menu, however, as meals are prepared from a small kitchen, it is not possible to guarantee that cross-contamination won't occur. \*\*
